**Independent Auditors' Report**

On the Financial Statement of Australian Premium Solar (India) Private Limited

TO THE MEMBERS OF  
**Australian Premium Solar (India) Private Limited**  
CIN : U40300GJ2013PTC075244

**Report on the Audit of the Standalone Financial Statements**

**Opinion**

We have audited the accompanying standalone financial statements of Australian Premium Solar (India) Private Limited. ("the Company"), which comprises the Balance Sheet as at March 31, 2021 and the Statement of Profit and Loss, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India,

- a. in the case of Balance Sheet ,of the state of affairs of the Company as at March 31, 2021;
- b. in the case of the Statement of Profit and Loss, of the Profit for the year ended on that date. And
- c. in the case of the Statement of Cash Flow Statement, of the Cash flow for the year ended on that date.

## **Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one

resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

## REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "**Annexure – A**", a statement on the matters specified in the paragraph 3 and 4 of the Order, to the extent applicable.

## **ANNEXURE – “B”**

to the Independent Auditors’ Report on Financial Statements of **Australian Premium Solar (India) Private Limited**. (Referred to in paragraph 1 (f) under “Report on Other Legal and Regulatory Requirements’ of our report of even date)

### **REPORT ON THE INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING UNDER CLAUSE (I) OF SUB SECTION 3 OF SECTION 143 OF THE COMPANIES ACT, 2013 (“THE ACT”)**

We have audited the internal financial controls over financial reporting of **Australian Premium Solar (India) Private Limited**. (“the Company”) as of 31<sup>ST</sup> March, 2020 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

### **MANAGEMENT’S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### **AUDITORS’ RESPONSIBILITY**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

## **MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

## **INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

## OPINION

In our opinion, to the best of our information and according to the explanation given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

# SCHEDULES ANNEXED TO AND FORMING PART OF ACCOUNTS AS ON 31-03-2021

---

## SCHEDULE 21: NOTES ON ACCOUNTS

### A) SIGNIFICANT ACCOUNTING POLICIES

#### 1. BASIS OF PREPARATION OF FINANCIAL STATEMENTS

The financial statements are prepared on accrual basis under historical cost convention as a going concern.

These financial statements have been prepared to comply with Generally Accepted Accounting Principles in India including the mandatory Accounting Standards issued by the Institute of Chartered Accountants of India and the provisions of the Companies Act, 2013.

#### 2. USES OF ESTIMATES

The preparation of financial statements in conformity with Accounting Standards issued by the Institute of Chartered Accountants of India requires judgments, estimates and assumptions to be made that affect the reported amount of assets and liabilities, disclosure of contingent liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognized in the period in which the results are known/ materialized.

#### 3. FIXED ASSETS

##### **Tangible Assets**

Tangible Assets are stated at cost net of recoverable taxes, trade discounts and rebates and include amounts added on revaluation, less accumulated depreciation and impairment loss, if any. The cost of Tangible Assets comprises its purchase price, borrowing cost and any cost directly attributable to bringing the asset to its working condition for its intended use, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the assets.

Subsequent expenditures related to an item of Tangible Asset are added to its book value only if they increase the future benefits from the existing asset beyond its previously assessed standard of performance.

##### **Intangible Assets**

Intangible Assets are stated at cost of acquisition net of recoverable taxes less accumulated amortization/depletion and impairment loss, if any. The cost comprises purchase price, borrowing costs, and any cost directly attributable to bringing the asset to its working condition for the intended use and net charges on foreign exchange

contracts and adjustments arising from exchange rate variations attributable to the intangible assets

#### 4. DEPRECIATION, AMORTISATION AND DEPLETION

##### **Tangible and Intangible Assets**

Depreciation on Fixed Assets is provided to the extent of depreciable amount on the WDV Method. Depreciation is provided based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013

#### 5. TAXATION

Tax expense comprises of current tax and deferred tax. Current tax is measured at the amount expected to be paid to the tax authorities, using the applicable tax rates. Deferred income tax reflect the current period timing differences between taxable income and accounting income for the period and reversal of timing differences of earlier years/period. Deferred tax assets are recognized only to the extent that there is a reasonable certainty that sufficient future income will be available except that deferred tax assets, in case there are unabsorbed depreciation or losses, are recognized if there is virtual certainty that sufficient future taxable income will be available to realize the same.

Deferred tax assets and liabilities are measured using the tax rates and tax law that have been enacted or substantively enacted by the Balance Sheet date. However no deferred tax calculation made for this current year.

Current tax is determined as the amount of tax payable to the taxation authorities in respect of taxable income for the period.

#### 6. FOREIGN CURRENCY TRANSACTION

- a. Company has maintained Foreign Exchange Profit or Loss Transaction. Non-monetary foreign currency items are carried at cost. ( as per Annexure D )
- b. In respect of integral foreign operations, all transactions are translated at rates prevailing on the date of transaction or that approximates the actual rate at the date of transaction. Monetary assets and liabilities are restated at the year end rates.
- c. Any income or expense on account of exchange difference either on settlement or on translation is recognized in the Profit and Loss Statement, except in case of long term liabilities, where they relate to acquisition of Fixed Assets, in which case they are adjusted to the carrying cost of such assets.

#### 7. INVESTMENTS

Current investments are carried at lower of cost and quoted/fair value, computed category-wise. Non Current investments are stated at cost. Long- term investments are stated at cost plus income accrued on Investment. Provision for diminution in the value of Non Current investments is made only if such a decline is other than temporary.

Investments that are readily realizable and intend to be held for not more than 12 months from the date of acquisition are classified as current investment.

All other investments are classified as non-current investments.

## **8. BORROWING COSTS**

Borrowing costs include exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. All other borrowing costs are charged to the Profit and Loss Statement in the period in which they are incurred.

## **9. EMPLOYEE BENEFITS**

### **Post-Employment Benefits**

Defined Contribution Plans : A defined contribution plan is a post-employment benefit plan under which the Company pays specified contributions to a separate entity. The Company makes specified monthly contributions towards Provident Fund. The Company's contribution is recognised as an expense in the Profit and Loss Statement during the period in which the employee renders the related service.

## **10. REVENUE RECOGNITION**

Revenue is recognized only when risks and rewards incidental to ownership are transferred to the customer, it can be reliably measured and it is reasonable to expect ultimate collection. Revenue from operations includes sale of goods, services, service tax, excise duty and sales during trial run period, adjusted for discounts (net), and gain/loss on corresponding hedge contracts.

Dividend income is recognized when the right to receive payment is established.

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the interest rate applicable.

## **11. Misc Expenses are amortized over a period of Five years.**

## **12. INVENTORIES**

Items of inventories are measured at lower of cost and net realizable value after providing for obsolescence, if any. Cost of inventories comprises of cost of purchase, cost of conversion and other costs including manufacturing overheads net of recoverable taxes incurred in bringing them to their respective present location and condition.

Cost of raw materials, in process materials, stores & spares, packing materials, trading and other products are determined on cost basis.

### 13. PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS

Provision is recognized in the accounts when there is a present obligation as a result of past event(s) and it is probable that an outflow of resources will be required to settle the obligation and a reliable estimate can be made. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

Contingent liabilities are disclosed unless the possibility of outflow of resources is remote.

Contingent assets are neither recognized nor disclosed in the financial statements.

### 14. IMPAIRMENT

An asset is treated as impaired when the carrying cost of asset exceeds its recoverable value. An impairment loss is charged to the Profit and Loss Statement in the year in which an asset is identified as impaired. The impairment loss recognized in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.
