New Company Registration

Registration of the Company in DCR Verification Portal.

Company Name	Company Type
Enter Your Company Name	Select
PAN Number	Address
ENTER YOUR COMPANY PAN	Enter Your Company Address
State	Pin Code
Select	Enter Pin Code
First Name of Company Admin	Last Name of Company Admin
Enter Your First Name	Enter Your Last Name
Mobile Number of Company Admin	Email Address of Company Admin
Enter Your Mobile Number	enter your email address

Company Name:

Enter the registered Company Name

Company Type:

Select the Company type from the available dropdown list per your company

process.

- 1. Solar-Cells Manufacturer Only
- 2. Solar-Panels Manufacturer Only
- 3. Both Solar-Cells and Solar-Panels Manufacturer
- 4. Reseller of Solar-Cells Only
- 5. Reseller of Solar-Panels Only
- 6. Reseller of Both Solar-Cells and Solar-Panels

PAN Number:

Company PAN number to be entered.

Address:

The address of the Factory registered will be printed during the sale of DCR. If you have multiple branches, they can be added later.

State:

Select the State

Pin Code:

Enter the PIN Code

First Name & Last Name:

Enter the Administrator of the company.

Mobile Number:

Enter the mobile number; an OTP will be received via call at this number for the registration verification process.

Email Address:

Enter the email address to which the OTP and the password will be received after the account is approved.

GST No: (Optional)

Enter the Company GST number for the address entered in the previous screen.

CIN: (Optional)

Enter the Company Identification number.

PAN Document to Upload:

Upload the PAN copy for the Company's verification. This is required to avoid fraud registration.

GST Document Upload: (Optional)

Upload the GST certificate.

CIN Document Upload: (Optional)

Upload the CIN document.

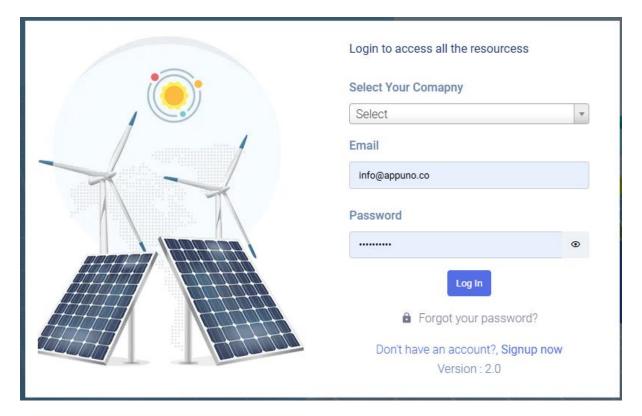

Remarks: (Optional)

Enter the remarks for registration of the company details.

After completing the above two steps, you will receive an OTP via email and mobile for verification. Finally, accept the terms and conditions.

Once your registration is approved, you will receive a follow-up email containing your account details and instructions on how to get started. If additional information is required, we will reach out to you promptly.

Login

Select your Company and enter your login credentials to access the portal.

General Guideline steps to follow

Solar Cell Manufacturer Only

- a. DCR/NDCR Bill of Entry / Cell Purchase
- b. DCR/NDCR -> Self Credit Wafer to Cell Conversion / Add Cell
- c. DCR/NDCR -> Sell Create DCR / NDCR for Cell

Solar Panel Manufacturer Only

- a. DCR/NDCR -> Credit Claim DCR Cell Stock
- b. DCR/NDCR -> Self Credit Cell to Module Conversion
- c. DCR/NDCR -> Sell Create DCR / NDCR for Panel

Both Solar-Cells and Solar-Panels Manufacturer

- a. DCR/NDCR Bill of Entry / Cell Purchase
- b. DCR/NDCR -> Self Credit Wafer to Cell conversion
- c. DCR/NDCR -> Sell Create DCR/NDCR for Cell
- d. DCR/NDCR -> Cell to Module Conversion
- e. DCR/NDCR -> Sell Create DCR/NDCR for Panel

Reseller of Solar-Cells Only

- a. DCR/NDR > Credit Claim the Cell Stock
- b. DCR/NDCR -> Sell Create DCR/NDCR for Cell

Reseller of Solar-Panels Only

- a. DCR/NDR > Credit Claim the Panel Stock
- b. DCR/NDCR -> Sell Create DCR/NDCR for Panel

Reseller of Both Solar-Cells and Solar-Panels

- a. DCR/NDR > Credit Claim the Cell Stock
- b. DCR/NDCR -> Sell Create DCR/NDCR for Cell
- c. DCR/NDR > Credit Claim the Panel Stock
- d. DCR/NDCR -> Sell Create DCR/NDCR for Panel

DCR – Bill of Entry

If you are a Solar Cell Manufacturer, this module will be visible.

LIST										BOE
										Ad
Drag a column header l	ere to group by the	t column							P. • Q	Search
Branch	1 1 ₹	BOE	↑2 =	BOE Date	-	Ŧ	BOE Quantity	Ŧ	Quantity Bala	nce Actio

Remarks: Internal Remarks

Panel Number: Enter the Panel Serial Number. The system will match the serial number not previously used; its quantity should match the Serial number.

After upload, the system registers the Panel serial number in a system with its tracking backward traceability system.

NDCR – Solar Panel – Debit

If you are a solar panel manufacturer, this module will be visible.

Solar Cells NDCR KW 0.00		Solar Cells NDCR Add Cell		Solar Cells NDCR Debit		Solar Cells NDCR Branch Transfer	
Solar Panel NDCR KW	@	Solar Panels NDCR Cell to Module Conversion	@	Solar Panels NDCR Debit	#	Solar Cells NDCR / Solar Panels NDCR Stock Transfer	6

You can reverse the same transaction if you have created the wrong serial number and have not sold it yet.

System Keep the status of DCR (Claimed / Un-claimed) if DCR, once claimed, can't be reclaimed. Please don't share the DCR number with an unauthorized person. Solar

Cell DCR can be claimed only by the person you have sold it to, but anyone can claim Solar panel DCR if they have the DCR Number.

DCR/NDCR – Credit

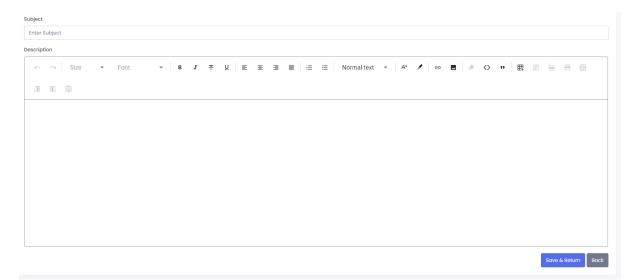

DCRs can be claimed by entering their serial numbers. If you are the buyer, the system will display them in the list with the status unclaimed. You can claim the same DCR.

Select the Branch on which you need to Claim / Credit the DCR.

Customer Support

DCR Verification portal: The system provides support. If you have a query, issue, or suggestion, you can create a ticket by entering details and receiving a prompt resolution.

Subject: Enter the short heading to identify the issue.

Description: Enter the details as much as you can provide to get faster resolution. You can also attach the Image to describe the issue/suggestion better.

After you submit the ticket, the system will send you an Email. If you receive a response, you will also get an email to log in and check its status.

Verify DCR

If you have received the DCR Serial number or Panel Serial number and need to check its traceability, go to the site <u>https://dcrverificationportal.com/</u>, click on DCR Verification or <u>https://dcrverificationportal.com/verifydcr</u> can directly access it.
